Dutch Mill Celebrating their 50th Year in Business

by Veronica Rachel Hoover

Bill, Judy, Liliana and I meandered into an early spring and celebrated Dutch Mill Nursery's 50th Anniversary on March 18th. John, Ginny, Annette, Frances, & Kristi hosted a down-home picnic to celebrate half a century of hard work and dedication, as well as to commemorate the lives of the late Irene and John Lommerse. Those in attendance, including Father Trout (who was kind enough to bless our meal, even though he "was not in uniform") noshed on a mess of BBQ eats and drank sweet tea under an enormous tabernacle surrounded by impeccable shade houses in

Sanford, Florida. Talk about a folksy soiree in the afternoon! Even the portable restroom facilities screamed 'southern hospitality' at it's finest! (*I had to mention the potties, Ginny. They were air-conditioned!*) Next we mingled with

members of the horticulture community, and got a sneak preview of some Ecke Geranium trials. (Thank you, Tom Hennessey!) It was a relaxing afternoon of food and friendship. Congratulations to the Lommerse Family. We are grateful for both your support of BMC, and your tireless efforts to shower your community with flowers and fellowship. You make it look like a piece of cake!
