Feature Plants-Hibiscus

Sunny Cities Pico Hibiscus

There are currently 6 varieties available for this series with trials being done on several more colors. Varieties include Pink, Apricot and Yellow amongst others. The flower size is close to regular hibiscus bred for larger pots. The 'Pico' series flowers heavily.

Available in 38cp and 105cp

Info provided by Bosgraaf Greenhouses, Inc.

Sunny Cities Hibiscus

This series of Hibiscus contain 14 varieties, with 10 of them being new. Named after different big cities; they include Key West, New York and Las Vegas. They are continuous and free blooming. Bud drop resistance makes the shipping of plants in bud and bloom easier.

Available in 38cp and 105cp

Info provided by Bosgraaf Greenhouses, Inc.

Cajun Hibiscus

These unique Hibiscus are available in liners through our supplier in South Florida. With varieties such as Cajun Cocktail and Voodoo Queen, these are bound to gain some interest.

Available in 72cp

2009 Texas Nursery and Landscape Expo

It's that time again! The 2009 Texas Nursery and Landscape Expo is here. It will be held August 14-16 from 10:00am-5:00pm. The expo will be located at the Dallas Convention Center in Dallas, TX.

Our very own Tim Mitchell will be exhibiting at the

show. Please stop by and see him at **Booth#626**. He will be showcasing plants from a number of our suppliers including Knock Out® Roses, Sun Parasol® Mandevilla and Thailand material such as Euphorbia and Adenium.

For more information on the

show please go to www.tnlaonline.org where you can view a list of exhibitors, floor plan and product search. Also for more information about our booth, please contact Tim Mitchell at tim@billmooreco.com
