 Thailand Plants

A new princess flower selected for its multi-color leaf variegation. It has hues of pink to red that are prominent on young foliage or in the cooler months. The flowers are typical of Tibouchina urvilleana. Its habit is fairly open but responds well to pruning.

Zones 9-10

Available in 72cp

OFA Short Course (continued)

The OFA Short Course has now concluded for this year. By the way it seems, it was a another successful year. According to OFA.org, the show had more than 9,000 horticulture professionals attend. They are already planning for next year. If you want to get going early on this, it will be held July 14-17, 2012.

We gladly accept the following from customers within the United States.

QR Code of the Month

Super Sonic New Guinea Impatiens

Available in URCs and 105cp

A cute little Squirrel from Ohio. Our cameraman Tim Mitchell couldn't pass up the shot of the perfectly posed Squirrel. Wonder if he's a Ohio Univ. or OSU fan?
