**Featured Plants—Plants showcased in recent magazines**

**Hydrangea 'Annabelle'**

Big, bold, bodacious snowball flowers change from green to white. Does well in light shade. Excellent variety.

\*Featured in July's issue of Southern Living® Magazine

Available in 50cp & 21cp

**Lycoris squamigera (Magic lilies)**

This Lily is a summer bloomer that enjoys the rainy season. The foliage will sprout well before the flower. Has fragrance. Height 20".

\*Featured in July's issue of Southern Living® Magazine

Available as 12/14 bulb; packed 25/case

**Verbena 'Homestead Purple'**

This Verbena has beautiful 2" deep purple colored flowers from spring until frost. This variety in particular matures at a height of about 6-10" and will spread up to 3' making it an excellent groundcover.

\*Featured in August's issue of Better Homes and Gardens® Magazine

Available in various liner sizes as well as unrooted cuttings.

**Crape Myrtles**

This landscape plant is a wonderful choice for the end consumer. They flower all summer and can tolerate full sun to light shade. Though most are meant for landscape, you can even grow one in a large pot.

\*\*Featured in July's issue of Southern Living® Magazine

We carry numerous varieties of this plant that are available in a wide range of sizes.

*The end consumers have seen these plants. Now it's time for you to have them ready for when they come in to buy!!*
