2018

SUNTORY

SUNTORY FLOWERS

Exciting New Varieties

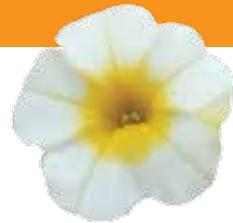

Surfinia® Trailing Red
Page 32

Rev up your reds with this outstanding new petunia! Plants feature the gorgeous, vigorous trailing habit Surfinia is known for with large, bright red flowers.

Beedance® Yellow
Page 6

The buzz continues with a fantastic, solid bright yellow companion to the Beedance bidens bicolor varieties. Plants produce a beautiful sunny mound of color.

Million Bells® Butter Pop
Page 9

Add some pop to your calibrachoa assortment! Inspired by buttered popcorn, flowers have a two-toned look – pale yellow with dark yellow centers. Earlier to flower with a more compact habit.

BIG BRANDS NOW AVAILABLE AS URC!

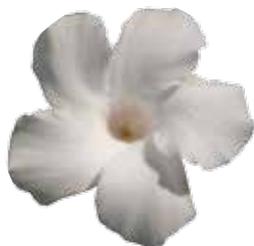

Due to popular demand, we're opening up more of our major product lines. Effective July 1, 2017, growers will be able to buy unrooted cuttings (URC) to finish varieties in the following product lines:

- Grandessa intergeneric hybrid argyranthemums
- Senetti pericallis
- Soiree catharanthus
- Sun Parasol mandevillas (Original and Garden Crimson)

These products are also available through Suntory's licensed root-and-sell networks.

Grandessa, Senetti and Soiree will be available through Dümme Orange and InnovaPlant.

Limited varieties are available through Cohen and HMA/Floraplant. Sun Parasol is already available through Aris Horticulture and Vivero International.

Sun Parasol® Giant Pure White
Page 22

If you're going for premium, classic elegance, this is the mandevilla for you! Large flowers are completely white, even the throats.

Sundenia® Crimson
Page 25

Sundenia is catching on as the dramatically different dipladenia! Compact, bushy plants produce large flowers. Crimson joins, bringing a deeper red color.
