

### *Acadian Spring*

A delicately colored 9" bloom on an upright grower.

### *City Slicker*

This hip cat is a low growing, well-branched variety producing abundant 6-6.5" blooms.

### *Beau Vie*

With 9-10" blooms set against dark green, wavy foliage; this vigorous bush requires pinching when the plant is young.

### *Cosmic Dancer*

Gorgeous reds and oranges dance all over this upright plant. A heavy bloomer, this variety requires heavy pinching.

### *Bienvenue*

A compact, well-branching plant with an abundance of 6" blooms on a vigorously growing plant.

### *Crawfish Pie*

"Slap 'yo mama' good!". These 7" red velvet blooms are delicious.

### *Blueberry Thrill*

### *Creole Belle*

This belle of the ball is an upright grower and well branching if pruned early. Lots of blooms.

### *Bon Temps*

This vigorous, well branched variety is a heavy producer of 7" blooms even in the heat of summer.

### *Creole Darlin'*

What a beauty; with 5.5-7" blooms, upright growth and a well-branching habit.

### *Cajun Blue*

Dark green, glossy leaves are the perfect backdrop for these upright 6" blue blooms. It's an upright grower.

### *Curly Top*

Semi-upright grower. The curls at the ends of the 6-7" blooms show the gold coloring behind each petal.

### *C'est Bon*

A compact, well-branched plant loaded with blooms all year. It does well in evening shade.

### *Delta Dawn*

Glossy, dark-green leaves and 7" blooms highlight this fast-growing and semi-upright bush variety. It is great for standards. Requires heavy pruning.

### *Cajun Cocktail*

A fast growing, semi-erect bush variety with dark green foliage. Requires heavy pinching.

### *Evangeline*

This beauty is a low grower, but has lovely delicate yellow, 6-7" blooms. Patented.

### *Chartreuse Rose*

### *Floral Fantasy*

The range of lavenders on this variety's 6" blooms stand out nicely against its glossy green foliage.

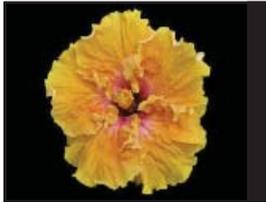

### *Gabriel*

An excellent upright grower, Gabriel's glossy, dark green leaves and bold colors make it a memorable variety. Patented.

### *Grand Marnier*

A tall, vigorous bush of a hibiscus with 7" blooms.

### *Heat Flash*

### *Light My Fire*

Hot! Hot! Hot! with cool-colored, 6-7" blooms and a full, vigorous habit.

### *Love Bite*

### *Love Pat*

Butter yellow, 7-8" blooms are delectable against dark green foliage.

### *Magnifique*

A multi-branching variety with a bevy of 7-8" blooms throughout the year.

### *Mango Moon*

Mango colored 6" double blooms dark, glossy green foliage.

### *Me-Oh My-Oh*

Dark, shiny foliage, red stems and a vigorous grower. The 7-8" flowers are the icing on the cake!

### *Mon Ami*

A large, fast-growing plant with large, green leaves.

### *Peach Schnapps*

### *Persimmon*

Flowers are 7" across, and it's a wave of persimmony pink petals! A delight to see.

### *Sassy Girl*

### *Stolen Kiss*

Kissed with pink on its first day, the 9-10" blooms fade to white the next. A vigorous grower and bloomer with dark green, heavily serrated leaves.

### *Tres Bon*

With blooms just 5" wide, it's a true miniature variety with masses of blooms on a multi-branching plant.

### *Tsunami*

It's awash with flowers! A vigorous growing bush requiring a heavy pinch to produce a well-branched plant.

*Vermillion Queen*  
A prolific bloomer when pruned early, this queen's upright habit is the perfect form for trees.

*Whipped Cream*  
Dark-green, wavy leaves highlight the delicate and delectable bright white, 7" blooms. An upright grower.

*Voodoo Doll*  
The 8" crinkled blooms and dark-green, crinkly foliage will put a spell on you. Good for standards.

*Yuletide*  
Dull, light green leaves and an upright habit make the 6-7" blooms stand up and stand out.

*Voodoo Magic*
