IS PROUD TO BE DÜMMEN ORANGE®

Wander Tuinier BV has been active in the market of unrooted succulent cuttings for more than 10 years. In the past couple of years, the company has increased its assortment and the total amount of unrooted succulent cuttings substantially. The production locations of the partners are situated in various countries worldwide with different climate conditions, enabling Wander Tuinier BV to offer high quality products to its customers all over the world. To be able to offer you a comprehensive and qualitative range in the future, we have taken the next step and are very pleased to announce our evolution to Dümme Orange®. Vibrant, evocative and culturally rich, the Dümme Orange® brand represents the uniting of countries and legacies—as well as of breeders, growers, researchers and associates—into one visionary floricultural leader.

One name. One vision. One signature color.
