Jillian's Trip to Costa Rica

I recently made a trip down to Costa Rica. Yes, I was supposed to go with Karen Kiebler, but unfortunately kidney stones popped up, so there was no traveling for me. Luckily, our gracious host and supplier was able to reschedule for late March. So, please take a look at some of the pictures below. We are currently working on a new catalog of their offerings and will release that as soon as possible!

Daylily Farm

Dianella 'White Stripe'

Me being a tourist!

Liriope Farm

Daylily 'Happy Return'

We gladly accept the following from customers within the United States.

We have a great opportunity available from our vendor is Costa Rica. They have began doing Liriope clumps. These clumps contain 3 to 4 bibs. We have a trial program available including Super Blue, Big Blue and the new Isabella, with quantities less than a full box each available. We will be sending out more information shortly!
