## New Rose line: Kolorscape®

The Kolorscape® series is a collection of shrub roses from Kordes®. This collection is easy to care for, and was created for use in gardens, hedges, and public spaces.

Kolorscape® Roses are disease-resistant, self-cleaning, and heat-tolerant throughout the entire United States. These compact, mounded shrubs have stunning flower power, glossy green foliage, and a generous bloom cycle that will continue until the first hard frost. The Kolorscape® collection is hardy to zone 5.

We offer Kolorscape® Roses in 32-cell and 72-cell liners. This collection also comes with an option of either hanging or stake tags.

We gladly accept the following from customers within the United States.

### Mandevilla SunParasol® 'Apricot'

Sun Parasol® 'Apricot' is a vigorous growing climber featuring beautiful Apricot flower color, bold foliage, high heat tolerance and grows quickly with excellent branching. It could be grown in a six inch and larger pot as a trellised item or it could be done as a hanging basket.

Available as 72cp or 21cp

### Mandevilla SunParasol® 'Designer White'

Designer group brings an entirely new form to Sun Parasol® Mandevillas. Plants full of classy blooms grow into elegant bushes with sturdy stems. There is no need for support system in 4-6 inch pots. Vigorous growth and climbing habit helps you to enjoy designing of plant shape.

Available as 72cp or 21cp

## We've turned 33!!

We're a year older! Bill Moore & Co., Inc. would like to take this time to thank each and every person who has been a part of this company in one way or another.

We are very proud of this accomplishment and look forward to many more years serving the wholesale nursery and landscape industry.

**THANK YOU!**
