Begonia Bossa Nova®

We are pleased to offer a new series of Begonias, Bossa Nova®. This series has brilliant blooms that cover the plant from late Spring until first frost. The well branched plants look stunning in a large container or hanging basket. Bossa Nova® Begonias are a great choice for any climate, but will particularly thrive in warm situations, even where other Begonias have failed.

Our thoughts and prayers are with you!

In the few months, there have been many natural disasters that have devastated people around the world.

Please know that our thoughts and prayers are with everyone effected. May you find peace in knowing that you are in

the hearts of many around the world. It is amazing to see the kindness and generosity of the people helping

those in need.

We can and will get through this trying time together. God bless!

Calibrachoa Bloomtastic

A new Calibrachoa that has excellent heat tolerance and garden performance. It is Dümmen Orange's most vigorous Calibrachoa series. Bloomtastic has extra large, decorative blooms. It is day length neutral and early flowering. These are great for hanging baskets, landscapes and quick turns in small pot production.
