New Suntory releases

Rose Sunrosa™ 'Yellow Delight'

Sunrosa® Roses are beautiful, compact and bushy. They are highly disease resistant with low maintenance and long flowering period. Due to their compact habit, Sunrosa® is ideal for small to medium landscape spaces and patio containers. They need less pruning than typical shrub roses, and due to their high disease resistance, are easy to care for.

Available in 72cp and 21cp

Mandevilla SunParasol® 'Mitebuster Red'

New to the SUN PARASOL® line, a mite resistant Mandevilla...Mitebuster! This compact, upright bush is bursting with color that holds up even in the hottest of weather. Sturdy stems that don't break and leaves that are leaf spot resistant too!

Available in 72cp and 21cp

Mandevilla SunParasol® 'Garden White'

The first bedding plant Mandevillas are naturally compact and look exquisite in planted landscapes. They are typically bred in 4-inch pots and are known for ease of growing and higher disease resistance.

Available in 72cp and 21cp

Aloe 'Safari' series

Available in 72cp

USDA Zone: 9a-11a

ORANGE

Aloe Safari Orange has bright orange flowers and it flowers abundantly. It is a mid-sized plant that grows 23" tall and 15" wide. Plant Safari Orange in the full sun in a well-drained soil. This evergreen is an excellent addition to the succulent garden, as a solitary on patio or balcony, as an accent plant or in mixed containers. Nice to know: it is highly resistant to Aloe mite.

ROSE

Aloe 'Safari Rose' has salmon coloured flowers and it flowers abundantly. It is a mid-sized plant that grows 23" tall and 15" wide. Plant 'Safari Rose' in the full sun in a well-drained soil. This evergreen is an excellent addition to the succulent garden, as a solitary on patio or balcony, as an accent plant or in mixed containers. Nice to know: 'Safari Rose' is highly resistant to Aloe mite.

SUNRISE

Aloe Safari Sunrise has bright bicolored flowers of pink and cream and it flowers abundantly. It is a compact plant that grows 12" tall and 10" wide. Plant Safari Sunrise in the full sun in a well-drained soil. This evergreen is an excellent addition to the succulent garden, as a solitary on patio or balcony, as an accent plant or in mixed containers. Nice for growers: it grows fast to a sellable product.

Dianella tasmanica 'Variegated'

A tried and true landscape plant, *Dianella tasmanica* variegated is a great addition to your nursery!

We are able to offer this plant as a rooted liner and bare root. We have great availability, give us a call for more info!

Variegated Dianella is a beautiful variegated landscape grass that boasts small flowers, which appear in Mid-Spring.

We gladly accept the following from customers within the United States.
