TPIE 2020

It was another great year at TPIE! Booths were packed, plants were sold, and people were talking. Attendance was up this year, an exciting start to 2020. We would like to thank everyone who came by our booth, as well as our vendors for their beautiful plants they supplied our booth. Please enjoy some pictures from our time at TPIE 2020. We will see you in Tampa next year!

ThinkPlants™ program

We are pleased to be able to offer a new plant line, ThinkPlants™. With our vendor, James Greenhouses, we will be able to supply you young plants for the Danziger, Syngenta and Terra Nova genetics.

ThinkPlants™ is a marketing platform created to lift and promote the genetics and supply for all the participating members, as well as to create efficiencies in communication, market resources and supply chain to the benefit of North American Growers.

Below is a small sampling of the great plants in this line! More information to come soon!
