## Hydrangea Game Changer®

*The first and only Hydrangea to not only be daylength neutral, but the Game Changer® series requires zero chilling. This removes 24-30 weeks of production time. The massive lace-cap flowers will bloom continuously from Spring through frost. Garden height is 20-24". Zone 5*

**Burbridgea scheizocheila 'Golden Brush'**

Burbridgea 'Golden Brush' Ginger is a tropical plant from Borneo. In its natural environment it is both terrestrial and epiphytic. 'Golden Brush' Ginger should never go dormant. Burbridgea like a well drained media such as small pine bark chips. They like bright

shape. Bright orange flowers emerge in late summer and blooming continues into fall.

Available as 72cp FOB Apopka, FL
