# HULA

## *Calibrachoa*

- High-impact flowers in a wide range of colors, all with a dark throat
- Large flowers attract hummingbirds
- Top-performing, versatile series
- Great series for rack programs

Hula Amethyst 43746

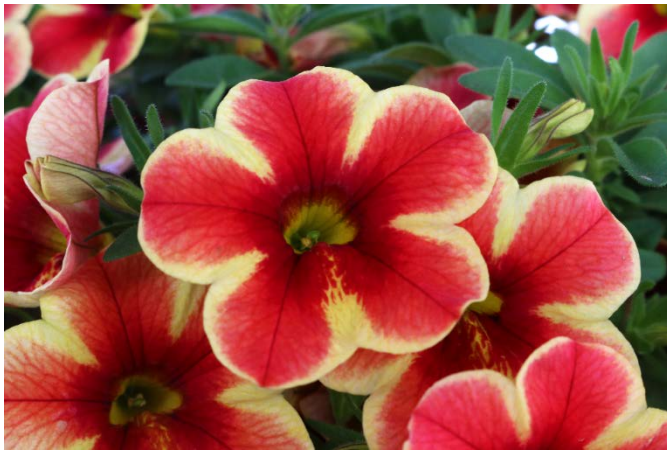

Hula Gold 2018

43889

# VOLCANO

## *Calibrachoa*

- Flower patterns reminiscent of lava flowing out of a volcano
- Vigorous habit well-matched to baskets and patio containers
- Large, unique bicolor flowers – great series to use for a rack display
- Day length neutral flowering

Volcano Sunset 2018 43753

# CHAMELEON

## *Calibrachoa*

- Vigorous in habit with flowers that change color
- Flower color changes depending on age, light levels and humidity
- Good choice for monoculture baskets and larger containers (8"+)
- Breeding by Westflowers

Chameleon Indian Summer 43908

Chameleon  
Lemon Berry  
43909

# GREAT FALLS

## *Coleus*

 **NEW**  
Great Falls  
Iguazu 70942

- Brand new trailing coleus series
- Super versatile in application – excellent as a groundcover, in baskets or in mixed combinations
- Adds interest to shade programs
- Provides a framework to add stability to mixed combinations during shipping
- Colorful, bold foliage is hard to resist at retail

Incredible in-ground  
performance at Costa's trial  
garden in Miami, FL (planted  
WK02, photo WK18)

Royalty 70960

Floriglory  
Maria  
70951

# FLORIGLORY

## *Cuphea*

- Extremely high flower count as compared to other cuphea on the market
- Very early to flower
- Lacy foliage and clear, bright flowers make for a stunning display
- Breeding by Westflowers

Floriglory Diana 70949

Floriglory Sofia 70952

DÜMMEN ORANGE.

# HYPNOTICA

## *Dahlia*

- Best choice for consistently easy-to-produce dahlias
- Large range of color options with reliable uniformity
- Good branching
- Suitable for medium to large pot production

Hypnotica Bronze 73797

Hypnotica Gold 73796

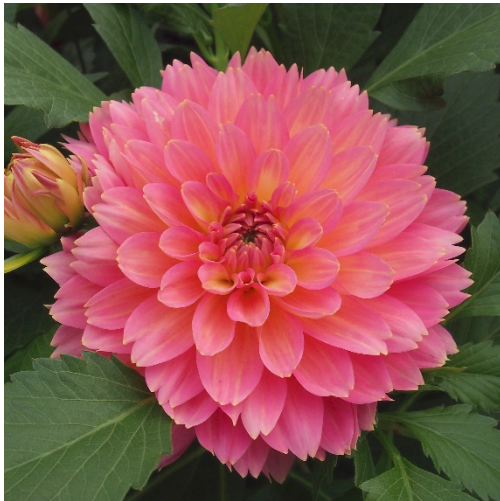

Hypnotica Pink Bicolor 73799

# XXL

## *Dahlia*

- A constant top garden and trial performer!
- Excellent heat tolerance
- Suitable for cut flower applications
- Breeding for increased density of foliage and earlier flowering
- New additions with extra-large, bicolored flowers

  
XXL Merida 73816

  
XXL Tabasco 73826

# DAHLINOVA TEMPTATION

## *Dahlia*

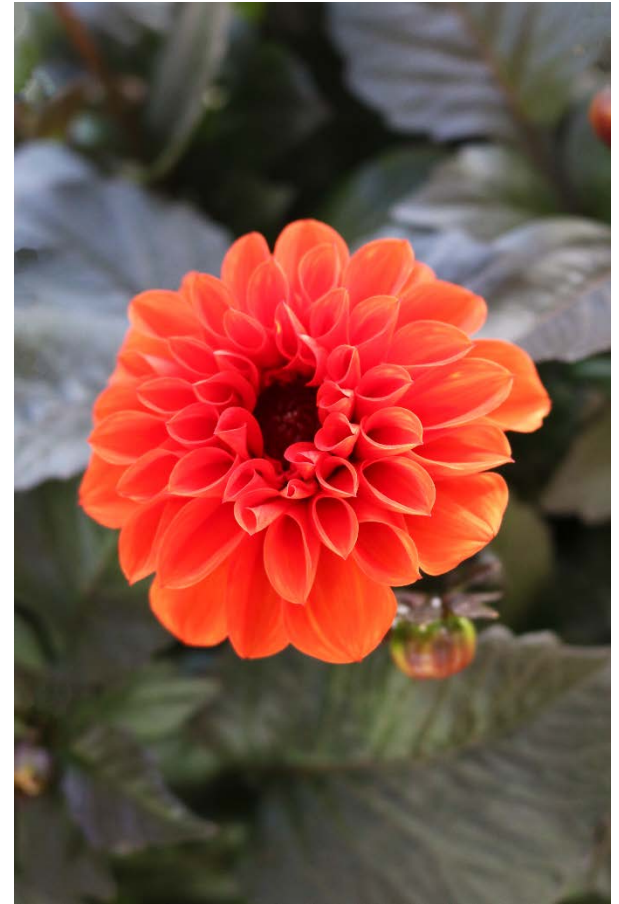

- A selection of dahlias with dark, glossy foliage that contrasts with flowers
- Breeding focus on developing a more rounded, true double with earlier flowering
- Recommended alternative to Dreamy dahlias

Dahlinova Temptation Purple 73806

Dahlinova Temptation Red Velvet 73807

Dahlinova Temptation Orange 73810

# MYDARLING

## *Diascia*

- Season opener with bright, fragrant blooms
- Easy to execute for growers with reliable consistency
- Well-suited to small and medium container production programs

MyDarling is rooster-approved!

MyDarling Tangerine 70937

# ARÊTES UPRIGHT

## *Fuchsia*

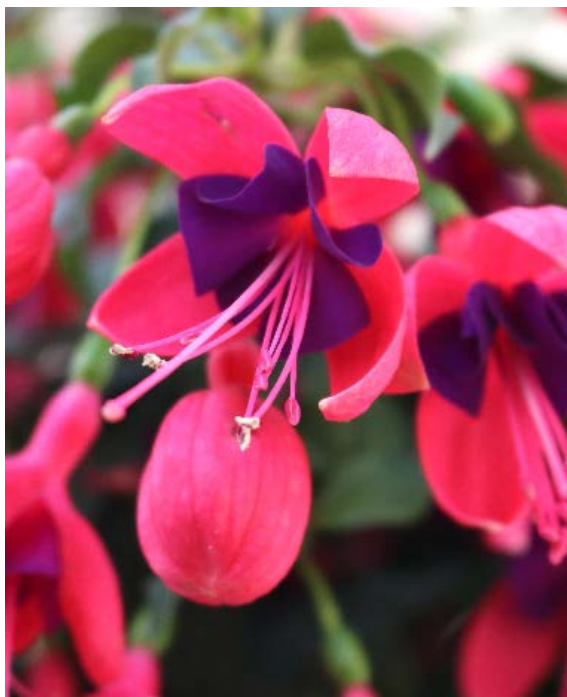

- Reminiscent of well-loved heirloom varieties, but with tighter, more upright habits
- Breeding improvements make plants easier to produce and ship
- Day length neutral for early season sales possibilities
- Large flowers on tidy plants
- Top-tier supply out of Oro Farms in Guatemala
- Easy for the grower with no PGRs or lights needed

Arêtes  
Upright Rio  
Grande 62464

Rimini 62488

Arêtes Upright  
Pompei 62490

Arêtes Upright  
Bari 62487

# LIGHTS

## *Fuchsia*

- Lights may look delicate, but they are a tough, heat-tolerant selection
- Bred in Australia and especially resistant to heat and low humidity
- Small flowers with a compact plant habit – no PGR required
- Day length neutral for early season sales possibilities
- Best suited to quarts and smaller container applications
- Recommended alternative to Stand Up series
- Breeding by Nuflora

Northern Lights 62492

FloraMia  
Nero  
71806

# FLORAMIA

## *Ipomoea*

- FloraMia series is a consistent top trial performer
- Well-rounded range of colors available
- Limon Wedge adds a chartreuse cordate-leaf selection to the series

FloraMia Limon Wedge 71829

# FIZZ N POP

## *Isotoma*

- Incredibly long flowering season with strong heat tolerance
- Outstanding pollinator-attracting selection
- Well suited to containers and mass landscape planting
- Breeding by PlantHaven

Fizz N Pop Pretty in Pink 70001

Fizz N Pop Glowing Violet 70000

# HAVANA

## *Lantana*

- Robust, heat-loving lantana series
- Reduced flower cycling with minimal seed set
- Medium-compact, tidy habit
- Extra-large umbels
- Dark green, dense foliage
- Versatile for the landscape, baskets or containers
- Gallon finish requires 1 cutting per pot
- Maintains uniformity even with age in the landscape

Havana Pink  
Sky 72196

# HAVANA

## *Lantana*

Havana Pink Sky 72196

Havana Red Sky 72197

Havana Harvest Moon 72198

# BELLA

## *Lobelia*

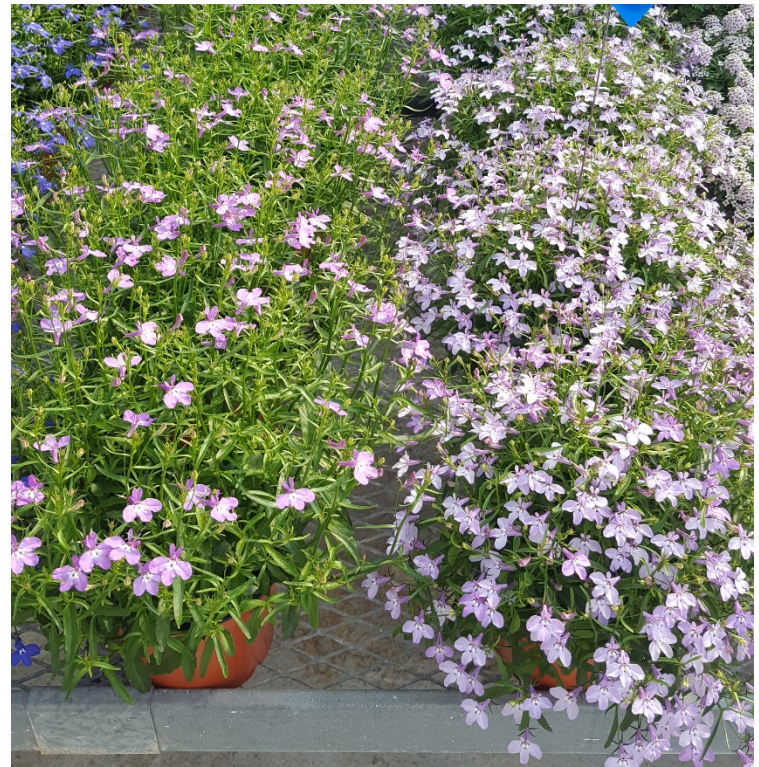

- Breeding selections for earlier flowering
- Uniform, dome-like habits that maintain their form
- Intensely bright, numerous and long-lasting flowers
- Fantastic in combinations

Bella Azure 72123

Bella Cielo 2018 72085

Bella Rosa

Bella Rosa 2018

# YOLO TOP

## *Lobularia*

- YOLO Top is the perfect option for the smallest container and pack applications
- Controllable habit is well-suited to mixed combinations
- Heat tolerant for extended color
- Fragrant, lace-like pink flowers with the introduction of YOLO Top Pink

# MAGNUM

## *New Guinea Impatiens*

- Breeding breakthrough with new color in Magnum Lavender
- Enormous bloom size
- Strong branching
- Moderate vigor
- Reliable uniformity across series
- Adaptable in finish size for small to large containers

Magnum Lavender 32463

# SUNSTANDING

## *New Guinea Impatiens*

- SunStanding brings reliability and versatility to the landscape market
- Strong adaptability to sun and shade, heat and humidity
- Adaptable to pack through gallon and larger production

SunStanding Dark Red  
31163

SunStanding  
California Mix

SUN  
STANDING

*Point-of-purchase  
material available*

# QUICK TURN CUTTINGS

## *New Guinea Impatiens*

- Dümmer Orange exclusive product form
- Allows quick finish of SunStanding NGI packs & quarts
- Save time and money in production by realizing additional crop turns
- Innovative Quick Turn cuttings finish faster in direct-stuck packs and quarts:
  - Packs: 5-7 weeks
  - Quarts: 6-8 weeks

# TAMARINDA

## *New Guinea Impatiens*

- Medium vigor with reliable branching
- Exciting new colors available for 2018
- Tamarinda Max is a new sub-series with even larger flowers

Tamarinda Max  
Neon Flame 32459

Tamarinda Max  
Wild Salmon 32458

Tamarinda  
True Red 32461

# WILD ROMANCE

## *New Guinea Impatiens*

- An exciting breeding innovation in the NGI class
- Semi-double flowers with 7-8 petals each
- Opening bud resembles a rose, and fully open bloom resembles a gardenia
- A true shade item and tough performer
- More vigor than Magnum
- Well-suited to gallons and larger
- An elegant choice for premium applications

Wild Romance  
Blush Pink 31174

## *New Guinea Impatiens*

Wild Romance  
Blush Pink 31174

Wild Romance  
White 31173

Opening buds resemble a rose

# PINNACLE

## *Zonal Geranium*

- Medium-compact growth habit is a great choice for pack production
- Excellent branching and early flowering
- New Pinnacle Blush Splash showcases a striking combination of deep pink and white

# SAVANNAH

## *Zonal Geranium*

- Dark, striking foliage with compact habit
- Medium vigor
- Attractive, high impulse retail appeal
- Excellent plant habit with beautifully rounded form and series uniformity
- Holds well, accommodating unexpected shipping delays

Savannah Ruby  
Sizzle 2018 20548

# ORIGAMI

## *Petunia*

- Strong performance and DLN with small to medium, fully double flowers
- Compact habit with loads of color is perfect for rack programs

Potunia Cappuccino  
40891

Potunia Starfish  
40848

# SUNTUNIA

## *Petunia hybrid*

- Outperforms other petunias in hot, sunny locations
- Recommended season-extending crop to follow traditional petunias
- Series is perfectly matched in vigor and habit
- Excellent for 6" and larger, along with all landscape applications

Suntunia Yellow 41473

Suntunia Peach Puff 41468

# SURPRISE

## *Petunia*

- Grows up and out, creating a waterfall effect
- Best suited to larger containers & landscape applications that match high vigor of series
- Wide range of colors and patterns available
- High impact – makes a great standalone item
- Burgundy Star and Hot Pink are exceptional garden performers

Surprise Burgundy Star

# SCALA

## *Scaevola*

- Scala Pink completes the Scala series color range
- Balanced habit – medium vigor and upright in the center
- Large flowers show well, trailing out of baskets and in garden borders

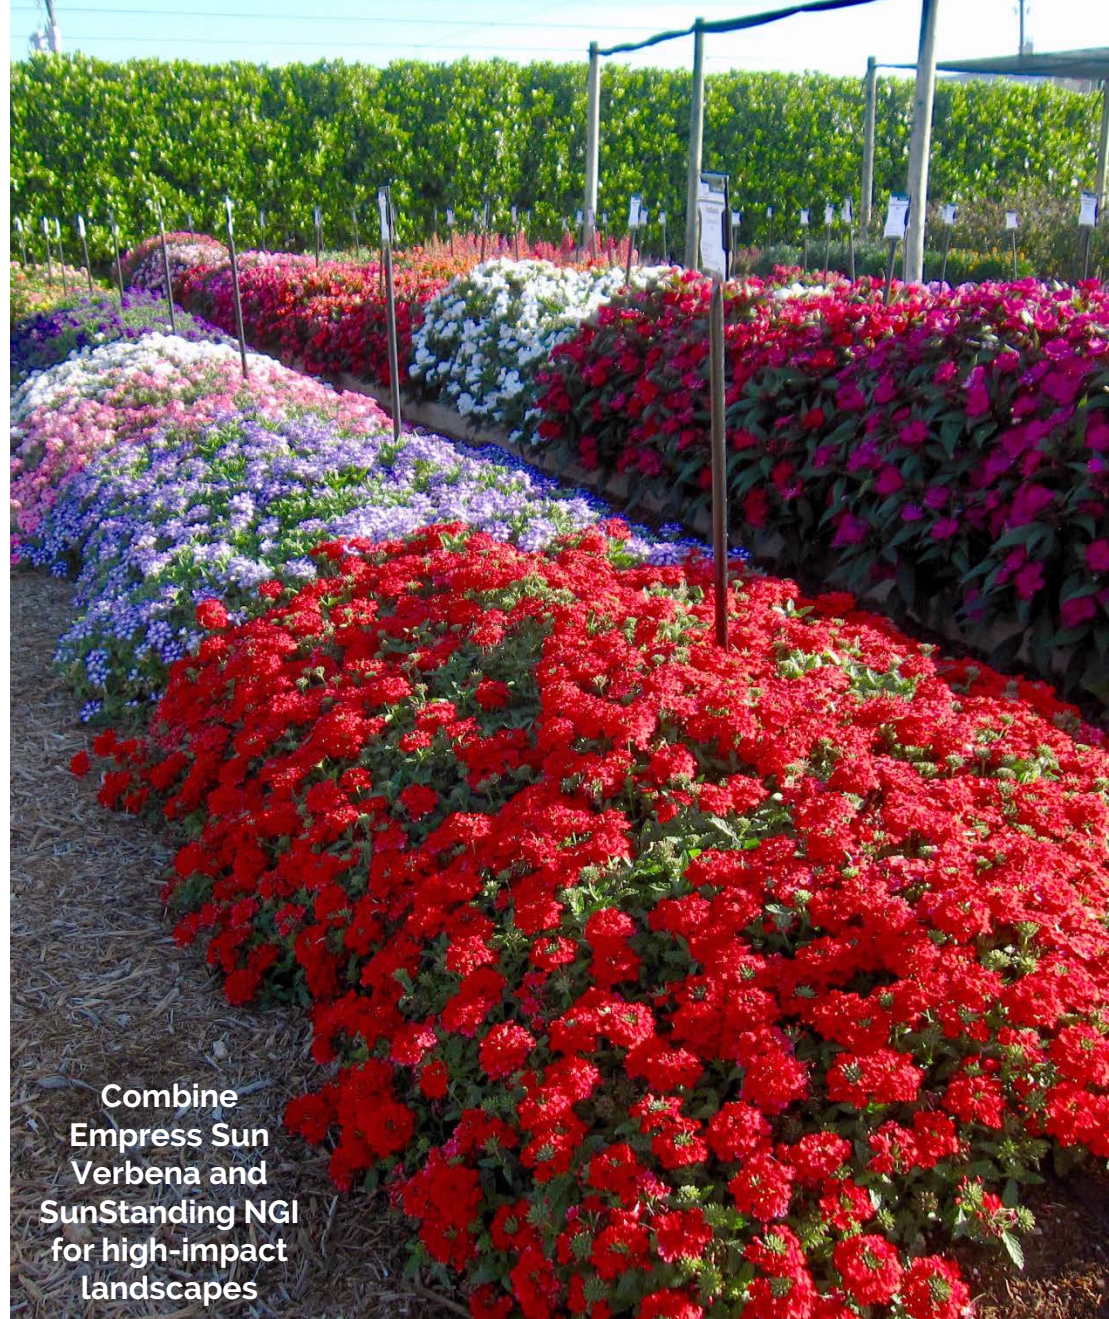

Scala Pink 72938

# EMPRESS SUN

## *Verbena*

- Incredibly uniform landscape selection with extra-large flowers
- Mildew tolerant
- Good for gallon production
- Short flower height to avoid flopping
- Excellent heat performance; great for southern applications
- A must-try for summer-long landscape color!
