DuraBella® is Different

Plant liners in the middle
Use only one liner of each item in the recipe

They will grow & blend well
Finishing at the same time as a traditional 6 or 9 liner planting

Less plants = Less $ input
A less dense root ball for lower water use and more longevity for the consumer

NEW PROGRAM

DURABELLA®

- Having the right ingredients is the first step in creating a successful recipe, DURABELLA® is exactly that
- Each two and three plant recipe is a combination of varieties that were tested for great performance, blend well together and last for the garden consumer
- DURABELLA®- When you want colorful combinations that blend well and last longer
