Featured Plants

FloraMia Ipomea

These compact and mounded Ipomea have a dark leaf and perform great in heat, drought and poor soils. They can be used for border plantings or compact combinations.

Available as URC and RC

Westringea 'Grey Box'

This Westringea has small, rosemary-like leaves arranged in whorls along the branches. The pale gray-green foliage is highly glaucous which gives the plant an overall 'gray' look. Low maintenance and drought tolerant! It also responds well to pruning

Available as RC

Merry Christmas from Bill Moore & Co

We would like to wish everyone a safe and happy holiday! We are so thankful to have the supplier and customers that we do. It makes it all worth it!

Our offices will be closed on December 24th and 25th so that our employees can be home with their families.

Merry Christmas!

We gladly accept the following from customers within the United States.
