

Bill Moore & Co., Inc. Added to Dümme USA Broker Network

Young plant broker now offering Dümme genetics

Brandon, FL –May 16, 2013—Bill Moore & Co., Inc. is proud to announce their addition of the Dümme line of plants. This will enable their customers the opportunity to get the top of the line genetics from Dümme’s breeding program.

Bill Moore & Co., Inc. has been offering Ecke, Oglevee, Fides and Oro Farms’ genetics for some time, but with this recent acquisition, they will be able to offer the full product line from what is now, DNA Green Group. This will expand the current line of Poinsettias, Geraniums and other bedding plants that Bill Moore & Co., Inc. currently offers.

“This is a very exciting time for us. Over the past three decades we have always strived to offer the highest quality material to our customers. The addition of the Dümme line is icing on the cake”, explained Bill Moore, owner at Bill Moore & Co., Inc.

Recently celebrating their 30th anniversary, Bill Moore & Co., Inc. is a young plant broker servicing the United States and Caribbean region.
