Winter Storm Leon: Unable to exhibit at Gulf States Hort Expo

We've tried everything we could to make it to Alabama, but due to Winter Storm Leon, we just couldn't make it! Due to continued flight cancellations, Karen Kiebler and Lucille Dillin were unable to attend the show. We are so bummed about not being able to see everyone. We hope that everyone stayed safe and warm during this winter storm. We can't wait to see you next year!
