## Featured Plants

### Colocasia 'Red Eye Gecko' ppaf

Geckos have a way of commanding attention, and 'Red-eyed Gecko' is no exception with its bright chartreuse foliage and central red eye. A medium-sized grower, this striking selection will reach 4-5' in optimal growing conditions.

Available in 72cp

### Alocasia 'Zulu Mask' ppaf

Another fantastic addition to the Masquerade™ series, Zulu Mask has long, narrow and deeply lobed leaves that can reach 2' in length. Architecturally striking, each leaf is dark-green with white veins and has a dark maroon underside.

## Texas Nursery/Landscape Expo—**BOOTH#3303**

We gladly accept the following from customers within the United States.

It's that time of year again, another Texas Nursery/Landscape Expo!

This year's show will be held in Houston, at the George R. Brown Convention Center, from August 16 through the 19th.

As always, our very own Tim Mitchell will be there. He'll be showcasing the latest and greatest, including Thai material and drought tolerant plants.
