We gladly accept the following from customers within the United States.

Mandevilla Sun Parasol® 'Garden Crimson'

A new Sun Parasol® Mandevilla! This is the first bedding plant Mandevilla. It is naturally compact and is bred to be produced in 4 inch pots. Garden Crimson is exquisite in landscapes. It is a dark red with 3-4 inch blooms. The beautiful plant can also be used in hanging baskets.

Will be available in 72cp

Sunrosa® Roses

These landscape and patio Roses have a dense, compact growth habit. They have perpetual flower power, and rebloom over a long period of time. Sunrosa Roses drop dead blooms easily. They offer maximum ornamental value through foliage, flowers and hips. They are highly disease resistant.

Available as 50cp

FNGLA/Farm Credit Young Nursery Professional of the Year 2012

This award is presented to an FNGLA member who is under 39 and has made an outstanding contribution to the industry. This award is sponsored annually by Farm Credit Associations of Florida.

This year's award goes to the president of Sun-Fire Nurseries, T. Jay Higgins.

Sun-Fire Nurseries has been a great vendor to us, supplying us with many tropical liners. Their product line includes Sun Parasol® Mandevilla, Sunvillea® Bougainvillea and the new Sunrosa® Roses.

Bill Moore & Co., Inc. would like to congratulate T. Jay on his achievement

and continued effort to make Florida's nursery industry one of the top in the country.
