Though Halloween is coming up, it won't be too long until we see green and red everywhere.

It's not too late to bring in plants for that Christmas sales window. We have Finished Poinsettias and Christmas Cactus available for a quick turnaround.

It's not too late to bring in Geraniums either, with Red and White varieties sure to be a great combination planter.

If you need pot covers or sleeves, we have those too. Those are a great way to jazz up those pots and add to the Christmas spirit!

We gladly accept the following from customers within the United States.
